DALE C. HARRIS

Dale C. Harris, Supervisor of Instrumental Music in the Public Schools of Pontiac, Michigan, has worked for years to further the advancement of instrumental music in the schools.

Active in Michigan school instrumental music programs for more than twenty-five years, Mr. Harris helped organize the Southeastern Michigan School Band and Orchestra Association in 1955 and the Michigan School Band and Orchestra Association the following year. He was unanimously elected president of the American School Band Directors Association, which he helped organize, and served for two terms. He is now a member of the Board of Directors of the Association and General Chairman of the Committee for the Improvement of School Bands.

In addition to his continuous efforts in regional, state, and national music organizations, Mr. Harris has remained a dedicated and efficient leader in the local instrumental music program of his own city. Under his direction since its inception, the Pontiac High School Band has maintained since 1933 an unequalled record in District and State Competitions, and is the last Regional interstate competition of the National Contest in 1940 received a First Division Award.

Musicianship, however, rates second to development of student citizenship in the philosophy of Pontiac's instrumental music program. Under Mr. Harris' guidance both musicianship and citizenship are carefully stressed as the ultimate objectives of the program, with festival and contest competitions serving only as means of achievement in these important areas.

The 1957 All State Band is proud to welcome Mr. Dale C. Harris.
