### New Jersey All State Auditions Director and School Endorsement Page

We, the undersigned, recommend the above-named student(s) for participation in the 2021 New Jersey All State Orchestra. The student(s) is/are a qualified candidate and is currently enrolled in the above-named school. We acknowledge that the student(s) is/are a faithful member of the corresponding school music group, curricular or co-curricular, and that as a member of the All State ensemble must remain an active member in good standing of the school performing group throughout the student's All State experience. We understand that the music teacher who is the director of this corresponding school group who is sponsoring this/these student(s) must be a paid and up-to-date member of NAFME. This director must also be present at the Director's meeting on the day of auditions (virtually) and will complete any subsequent duties that may be assigned. Further information regarding the virtual audition process will be posted on the NJMEA website for directors and students.

In the event that the student(s) is/are accepted into the group, we will use our influence to see that the student(s) is/are properly prepared and adheres to the rules and regulations set forth by NJMEA. We understand that failure to meet the All State Orchestra obligations will render the student(s) ineligible to participate in future All State, All Eastern, and National ensembles.

**NO STUDENT WILL BE ALLOWED TO AUDITION UNLESS THEIR DIRECTOR IS PRESENT FOR AUDITIONS AND IS A CURRENT MEMBER OF NAFME.**
