School administrators; please consider the Fall Workshop as an opportunity for professional development for your music teacher(s). If it is possible for the school district to provide membership fees, registration fees and/or a professional day for your teachers, this workshop will be a worthwhile use of time and money. Please make plans for your music instructor(s) to attend. If there are any questions concerning this workshop, please contact me at 251-923-8712.

Sincerely,

Katie Chew, MSMEA Elementary Division President
